<b>5</b>	Produce and broadcast programs designed for outreach during and post-pandemic	<p>Given the impact of the pandemic on everyone’s business and personal lives, WZRC(AM) continued to create and maintain programs and platforms to bring comfort and support to its listeners as well as information about career/job opportunities in broadcasting as well as other fields.</p> <p>Since our Station is a leader in Chinese radio broadcasting and is popular among the local Chinese community, it continued to produce programs that focused on the loss of local jobs. Again, the Station’s goal was and is to help talented people find meaningful work again. The programs, which aired with regularity, provided information about current employment opportunities in a wide variety of fields. Local organizations as well as community leaders kept WZRC staff informed and updated about who was hiring locally and state-wide. WZRC is proud of its efforts and continues to receive accolades from its listeners as well as community leaders in the City for the assistance the Station provided and continues to provide.</p>
